Dear Curtis Coleman,

**Re: SNP Location – Approved – Community Government of Behchoko – Municipal – Behchoko, NT**

The Wek'èezhì Land and Water Board (Board) met on September 28, 2022 and considered the rationale regarding the SNP Location surrounding the Solid Waste Facility (SWF)<sup>1</sup> submitted by Community Government of Behchoko (CGB) on September 2, 2021 as required by the Board's March 23, 2021 Decision Letter.<sup>2</sup>

The Board has reviewed CGB's letter on whether the SNP Location surrounding the former SWF are adequately placed and at this time determined that the response from the CGB meets the requirements set out in the Board's March 23, 2021 Decision Letter.

Please direct questions or concerns regarding this letter to Ryan Fequet in writing.
