Dzë nezł Curtis,

**Re: Version 2.1 of the Solid Waste Facility Closure and Reclamation Plan (W2014L3-0002)**

The Wek'èezhì Land and Water Board (WLWB or the Board) met on August 24, 2021 and considered Version 2.1 of the Community Government of Behchokq's (CGB) Closure and Reclamation Plan (CRP) for the former Solid Waste Facility (SWF).<sup>1</sup> The Board has approved Version 2.1 of the SWF CRP.

The Board notes that it did not receive a submission to address Decision #2 of its Reasons for Decision for the SWF CRP from the March 23, 2021 Reasons for Decision.<sup>2</sup> The Board expects the CGB will:

1. Review its SNP and either:
  - a. Submit to the Board a request to change the SNP, or
  - b. Provide rationale to the Board if the CGB believes that no changes to the SNP are necessary.

A submission and/or response to the Board's direction above is required as soon as possible.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joseph Mackenzie".
