**Work Plan for Municipal Water Licence Application:
Tlichò Community Government of Behchoko
*Updated – May 7, 2014***

Work Plan Timeline

See page 3.

Purpose of the Work Plan

To outline the processes and timelines to be followed for Water Licence Application W2014L3-0002 for the Tlichò Community Government of Behchoko (CGB) for their municipality.

Background

The current water licence for the Tlichò Community Government of Behchoko will be expiring on November 30, 2014.

Scope of the Project

The proposed water licence application for the Tlichò Community of Behchoko.

- a) This Licence entitles the Tlichò Community Government of Behchoko to use water and dispose of waste for municipal undertakings of Rae and Edzo.

Guiding Principles

The following principles will guide the Work Plan of the WLWB throughout this water licensing process:

- The process shall be carried out in a timely manner and shall have regard to the protection of the environment in consideration of the impacts of the proposed undertaking and the importance of conservation to the wellbeing and way of life of the aboriginal peoples of Canada (Section 35 of the *Constitution Act*, 1982);
- The Wek'èezhìi Land and Water Board (Board) will review CGB's application and consider potential licence conditions based on evidence and rationale submitted by the community and other parties;
- The Board will review CGB's application and consider potential conditions in order to meet the Board's mandate and applicable policies and to ensure consistency in decision-making throughout the Mackenzie Valley.

Work Plan Objectives

The Work Plan is to achieve the following objectives:

- Compile a broad range of input through the review process;
- Ensure adequate information is gathered to complete the water licensing permitting process;
- Facilitate a thorough, inclusive, and timely water licence review process; and
- Establish water licence conditions to ensure adequate protection of the environment.

Opportunities for Community Engagement

- The Board will distribute the applications to reviewers – including aboriginal organizations, governments, and communities – for review using the LWB Online Review System;
- The Board will include a notification(s) regarding the review process in the newspaper;
- The Board will coordinate a technical session(s) to address specific issues that require more focused review and discussion;
- The Board will hold a public hearing; and
- Any other consultation or engagement activity that the Board considers appropriate.
