Dear Sapan Seth,

Wek'eezhii Land and Water Board
Tłıchọ Dogrib Power Corporation - Snare Hydro facility - Cascades
Type A Water Licence W2014L4 - 0001
GNWT - ECC - Return of Security Deposit

Following the Board's issuance of the Type A Water Licence W2023L4-0001 dated May 16, 2024 to the Northwest Territories Power Corporation (NTPC) – Snare Hydro-electric facilities and with the expiry of the Dogrib Power Corporation's (DPC) Type A Water Licence W2014L4-0001 – Snare Hydro facility – Cascades, the Department of Environment and Climate Change (ECC) will return the \$68, 000.00 security deposit currently held by our department in the form of cash to the Tłıchọ Dogrib Power. On May 29, 2024, the DPC licence expired.

Due to the NTPC Licence renewal and the amalgamation of the Snare Cascades undertakings and licence scope into the new Water Licence, the existing security deposit is no longer required to be held by our department. On behalf of the beneficiary, the Government of the Northwest Territories, represented by ECC, the Department of Finance will return the \$68, 000.00 to DPC under a separate cover.
