Dear David Kelsch,

Re: Land Use Permits W2015C0003/W2015C0004 Extension Requests

The Wek'èezhì Land and Water Board (WLWB or the Board) met on April 16, 2020 and considered GGL Resources Corp.'s (GGL) extension requests for Land Use Permits W2015C0003¹ and W2015C0004² (the Permits). The WLWB has decided to approve both extension requests W2015C0003 and W2015C0004, each for a period of two years.

Administrative changes were made to Conditions 4 and 29 of the Permits. These administrative changes include updates to the phone numbers listed for the GNWT Lands Inspector and the Prince of Wales Northern Heritage Centre. These changes have been reflected in the Permits.^{3,4}

Sincerely,

A handwritten signature in blue ink, appearing to read 'Joe Mackenzie', is written over a light blue circular stamp.
