Yellowknife, NT X1A 2P8

Dear Mr. Wells,

Re: SNP Update Request – A21 Pool Dewatering (Station 1645-41)

The Wek'èezhì Land and Water Board (WLWB or the Board) met on September 22, 2017 to consider Diavik Diamond Mines (2012) Inc.'s (DDMI) SNP Update Request.¹ The SNP Update Request outlines changes to Station 1645-41, which applies to the Dewatering of the A21 pool.

The Board has decided to approve DDMI's SNP Update Request. An updated copy of the Water Licence reflecting this decision has been placed on the Online Registry.²

Sincerely,

A handwritten signature in black ink, appearing to read "Mason Mantla", written over a light blue horizontal line.

Mason Mantla
Acting Chair, Wek'èezhì Land and Water Board

Copied: Diavik Distribution List
