Dear Benjamin Bey,

RE: Version 2.0 of the TASR Waste Management Plan

The Wek'èezhìi Land and Water Board (the Board) received Version 2.0 of the Government of the Northwest Territories Department of Infrastructure's (GNWT-INF) Waste Management Plan (WMP) for the Tłjchq All-Season Road (TASR) on August 30, 2021.¹ Version 2.0 of the WMP was submitted to incorporate an updated letter from the City of Yellowknife stating that it is acceptable to receiving waste generated from the TASR Project. Version 2.0 was not distributed for public review because the revision included in Version 2.0 was minor and administrative in nature. The Board has thus approved Version 2.0 of the WMP.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joseph Mackenzie".

Joseph Mackenzie
Acting Chair, Wek'èezhìi Land and Water Board
