Dear Ziaur Rahman,

**Re: GNWT-INF – Land Use Permit – Letter of Clearance – Geotechnical – Highway No. 3 to Whatì, NT**

The Wek'èezhì Land and Water Board (Board) met on March 27, 2024 and reviewed the file for Land Use Permit (Permit) W2016S0009.

The Board received a Final Plan for this land-use operation on February 14, 2024.<sup>1</sup> Subsequently, an Inspector communicated that the final plan had been reviewed and appears correct as submitted and recommended closure of the file.<sup>2</sup>

Final Plan - Approved

The Board has approved the Final Plan, because it fulfills the requirements set out in subsections 29(1) and 29(2) and section 30 of the Mackenzie Valley Land Use Regulations (MVLUR).

Clearance Granted

The Board has granted final clearance of Permit W2016S0009 because the requirements of the MVLUR and the conditions of the Permit have been met, and the Inspector has recommended final clearance. By issuing this Letter of Clearance for Permit W2016S0009 the Board considers the Permit closed under section 33 of the MVLUR.
