8 June 2017

Dear Mr. Covey:

**Subject: DDMI – Notice of Spring 2017 Drilling Program Completion Timeline**

Diavik Diamond Mines (2012) Inc. (DDMI) submits this notice identifying the timeline for the completion and reclamation of spring 2017 exploration drilling activities on DDMI leases and claims to fulfil condition 10 in Land Use Permit W2017C0002: *“At least ten days prior to the completion of the land-use operation, the Permittee shall advise an Inspector of: (a) the plan for removal or storage of equipment and materials; and (b) when final cleanup and reclamation of the land used will be completed.*

- a) All drilling equipment and related supplies will be broken down and transported via helicopter back to the Diavik mine site for storage.
- b) Final drill site demobilization, cleanup, and reclamation are anticipated to be complete by June 18<sup>th</sup>, 2017.

A more detailed final progress report will be circulated after the completion of these activities.

Please do not hesitate to contact the undersigned if you have any questions on this matter.

Yours sincerely,

David Wells  
Superintendent, Environment
