RE: W2018C0005 – Completion of Summer 2022 Exploration activities

Arctic Canadian Diamond Company Ltd. submits this notification under Part C, Condition (2) of Land Use Permit (LUP) W2018C0005 of the completion of diamond drilling activities as outlined in our correspondence of June 7, 2022.

All equipment associated with the work has been removed from the sites and stored at the Ekati Mine. Final clean up and any reclamation work will be completed prior to September 15, 2022. Please note that targets B and C as shown on the plan below were not drilled, and an additional three holes were drilled at target E.

Sincerely,

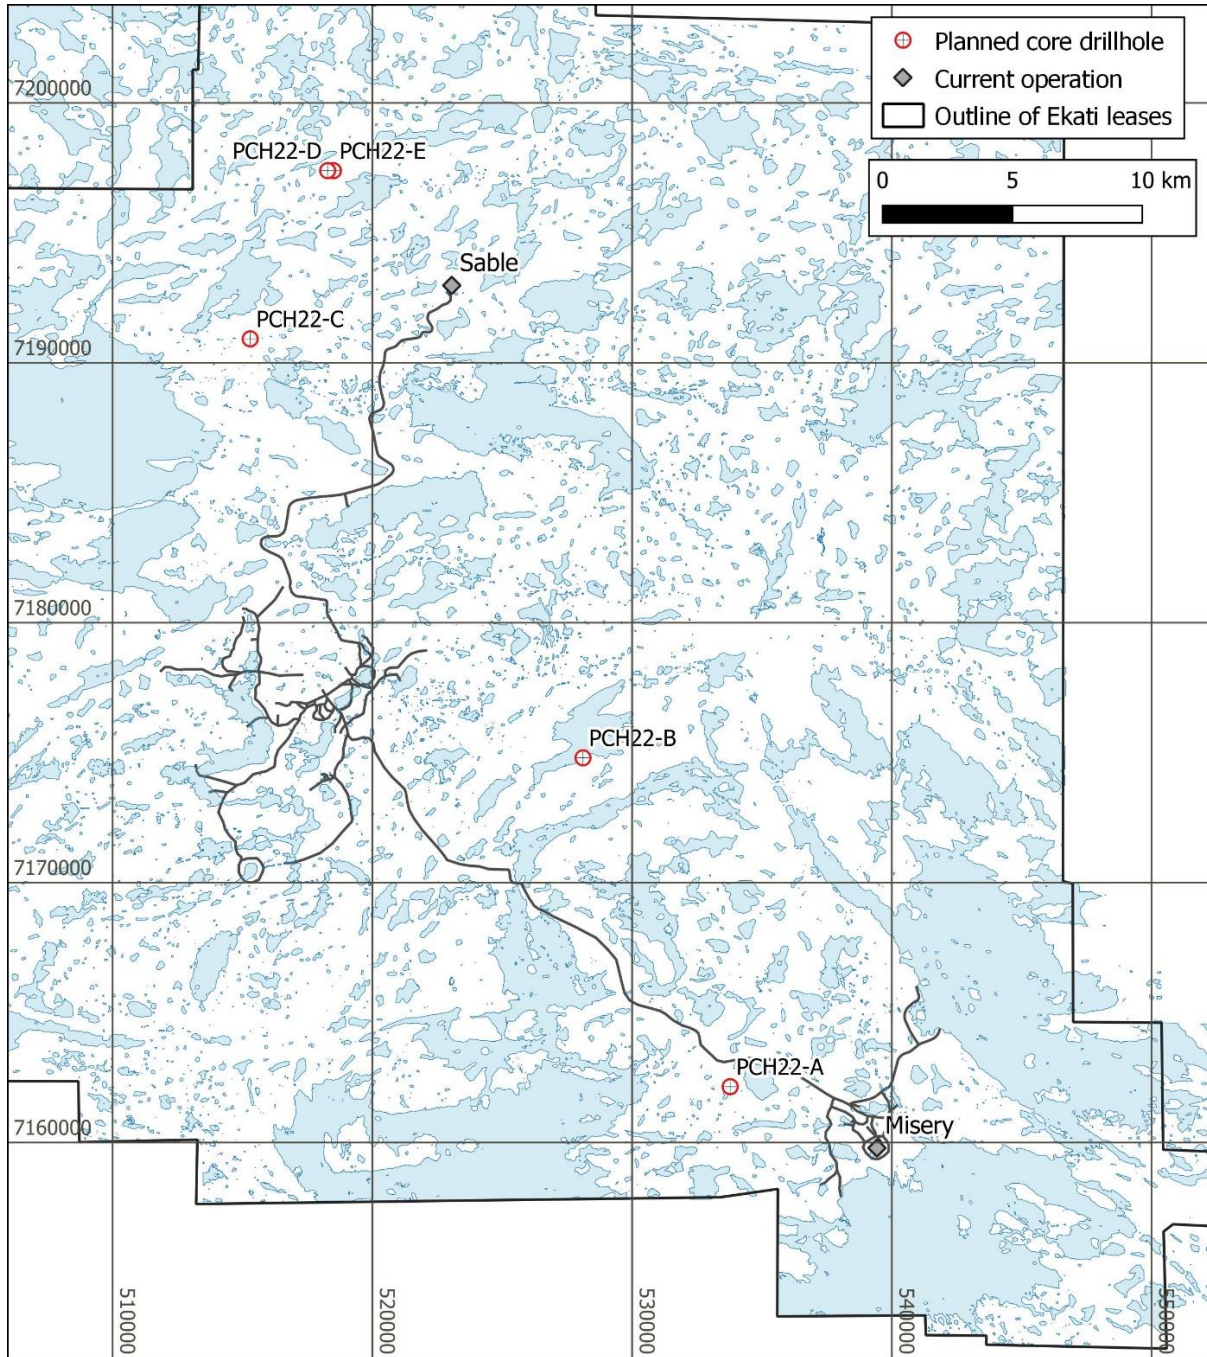

Rick Woodward
Superintendent – Exploration
