Dear Michael Byron,

ISSUANCE OF TYPE “B” WATER LICENCE AMENDMENTS W2018L2-0002 & W2018L2-0003

The amendment to Water Licences W2018L2-0002 and W2018L2-0003 has been granted by the Wek'èezhì Land and Water Board (WLWB or the Board) in accordance with the *Mackenzie Valley Resource Management Act* and *Waters Act*. Copies of the Licences have been filed on the Public Registry.^{1,2}

Along with its Application, Nighthawk Gold Corp. submitted Version 3.0 of the Water Use Plan^{3,4}. The Board has decided not to approve Version 3.0 and has provided direction for Version 3.1. Nighthawk is to continue operating under Water Use Plan Version 2.1 until an updated version is approved by the Board.

Please be advised that this letter, with attached procedures, all inspection reports, and correspondence related thereto, are part of the Public Registry, and are intended to keep all interested parties informed of the manner in which the Licence requirements are being met. All Public Registry material will be considered if an amendment is requested.

The full cooperation of Nighthawk Gold Corp. is anticipated and appreciated.
