Dear Denise Lockett,

Re: Nighthawk Gold Corp. – Engagement Plan Version 4.0 – Decision Letter – Indin Lake Gold Property, NT

The Wek'èezhì Land and Water Board (the Board) met on August 24, 2021 and considered Nighthawk Gold Corp.'s (Nighthawk) Engagement Plan Version 4.0¹ submitted in accordance with Permit W2018C0007, Condition 86;² Permit W2018X0006, Condition 60;³ and the Board's decision on Version 3.3 of the interim Closure and Reclamation Plan.⁴

The Board is of the opinion that Nighthawk has addressed the Board's direction from the interim Closure and Reclamation Plan Version 3.3 by engaging with the Tłı̄ch̄ Government, the Wek'èezhì Renewable Resources Board, and the North Slave Métis Alliance in the development of Version 4.0 of the Engagement Plan. During the public review, no comments or recommendations were received from reviewers regarding the updated engagement triggers.⁵ For these reasons, the Board has approved Version 4.0 of the Engagement Plan.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J Mackenzie'.

Chair, Wek'èezhì Land and Water Board
