Subject: GNWT-INF - TASR - Type A Application - Water Use - Public Hearing (W2020L8-0001)

Good Morning,

The Wek'èezhii Land and Water Board (WLWB) did not receive any Interventions for the Government of the Northwest Territories' Department of Infrastructure (GNWT-INF's) Type A Proceeding. In addition, no requests to appear and make representations at the hearing were received. On August 5, 2020, the WLWB received [GNWT-INF's consent](#) to dispose of the matter without a public hearing. Therefore, the public hearing scheduled by the Board for August 20, 2020 has now been cancelled under subsection 41(3) of the *Waters Act*.

A link to an updated workplan can be found below. A reminder that the next step in the proceeding is to distribute the Draft Water Licence for comments on August 20, 2020.

As always, feel free to contact Board staff with any questions or concerns.
