DISTRIBUTION LIST:

Land Use Permit W2014F0003 Land Use Permit Renewal Pre-submission Engagement

We wish to advise you that the Department of Infrastructure will be submitting a renewal land use permit application for W2014F0003 to the Wek'èezhì Land and Water Board (WLWB) for the continued construction, operations and maintenance of the Wekweètì Winter Road.

Winter Road construction activities may include clearing and brushing for minor improvements, snow fill and water spraying to improve snowfill and ice thickness at various ice crossings, and grade improvement work along the existing road at specific roadway realignment areas.

Prior to submitting the application to the WLWB the Department would like to engage with your organization. Any questions or concerns regarding the proposed application can be submitted to INF by October 15, 2021 to Alexis Campbell by email at Alexis_Campbell@gov.nt.ca.

Sincerely,

Cameron Wilson
Regional Superintendent
North Slave Regional Office
Department of Infrastructure

Subject: Wekweeti Winter Road Land Use Permit Application

Good afternoon,

The Department of Infrastructure will be submitting the Wekweèti Winter Road land use permit application via SFT site as the file is too large to send through email.

Please note that the engagement log is missing. There were a few groups that were missed in the initial engagement, and we have provided engagement letters to them with a date of November 8th for responses back. The engagement log with email correspondence will be submitted on Monday, November 8th.

Please let me know if you have any questions.

Mársı | Kinanāskomitin | Thank you | Merci | Hąı' | Quana | Qujannamiik | Quyanainni | Máhsı | Mahsı
