Mr. Ryan Fequet  
Executive Director  
Wek'èezhii Land and Water Board  
#1-4905 48th Street, Yellowknife, NT X1A 3S3

**Re: Clarification Request Regarding the Wek'èezhii Land and Water Board's Decision of November 30th, 2022**

Dear Mr. Fequet,

Nighthawk Gold Corp (Nighthawk) thanks you for the Decision and guidance provided in the recent Water Licence Decision document that has been provided to Nighthawk<sup>1</sup> on November 30<sup>th</sup>. This draft document outlines the reasons for decision for Minister Vandal, and provides guidance for Nighthawk on the next steps required to comply with the new draft conditions.

As there are updates required for the current ICRP (due for submission on December 15<sup>th</sup>), and the holiday break is coming, an extension to the submission of the ICRP would be beneficial. **Nighthawk would like to ask for an extension of the deadline for the submission for the ICRP 4.0 to January 13<sup>th</sup>.**

Sincerely,

A handwritten signature in black ink that reads 'John McBride'.

John McBride P.Geol  
Vice President of Exploration
