Dear Mr. Mantla:

Deadline Extension Request - Tłıchọ Highway (Tłıchọ All Season Road) (W2020L8-0001) and Whatı Access Road (W2021L8-0002) Annual Water Licence Reports.

The Government of the Northwest Territories' Department of Infrastructure (GNWT-INF) would like to request an extension to the Annual Water Licence Report submission deadlines for the Water Licences W2020L8-0001 and W2021L8-0002, respectively, from March 31, 2025 to May 31, 2025.

This request is necessitated by the non-availability of Environment and Climate Change (ECC) staff responsible for contributing to significant sections of the reports. The ECC staff is currently undertaking caribou range fieldwork associated with the Tlıcho Highway. If granted, all contributors will have an ample time to fully contribute to their respective sections of the report.

Should you have any questions or concerns please contact Benjamin Bey at (867) 767-9083 ext. 31058 or by email at Benjamin_Bey@gov.nt.ca at your earliest convenience.

Sincerely,

Ziaur Rahman
Manager, Surface Design and
Construction
Department of Infrastructure
