Re: Whatı Falls Project

To Whom It May Concern:

I am writing this letter in support of the Tłıchǫ Government proposal for the upgrade of the Whatı Falls Access Road and Day Camp Area.

The Tłıchǫ_Kiewit Partnership will be completing the preparation, design and construction of the road and camp area, and the management plans will be similar to those used as during the Tłıchǫ Highway (Tłıchǫ All-Season Road) construction.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Re: Whati Falls Project

Dear Sir/Madame,

This letter is in support of the Tłıchǫ Government's Whati Falls Project which includes planned improvements to upgrade the access road, safety at the day use area and a potential new campground.

While details are still being discussed, the Community Government is considering allowing the use solid waste facility and sewage lagoon in support of this project.

If you have any questions or concerns, please feel free to contact me.

Sincerely,
