Dear Ms. Bourassa,

Thank you for your letter dated December 18, 2023 seeking approval from The Sahtu Secretariat Inc. (SSI) as one of the three approving parties for a postponement of the next five year review of the Plan. The SSI Board of Directors met on February 9th, 2024 to consider your request and have agreed to the suggested three year pause on the next five-year review.

Given the need for a seamless transition and effective implementation of the previous review's outcomes, we are in agreement with your proposal to postpone. This decision aligns with our commitment to thorough evaluation and thoughtful execution of improvement measures.

We appreciate your proactive approach in addressing these matters and look forward to a successful implementation of the current review. Should you require any further clarification or assistance, please do not hesitate to reach out.

Sincerely,

Charles McNeely,
Chair, SSI
