This email is to acknowledge that your email was received.

SLUPB discussions prior to issuing the notice were to stick closely to the timelines set. I would encourage comments to be submitted by the deadline. Decisions of accepting late comments or requests for extensions will be made by the board at its next meeting scheduled for February 22-23.

I am out of the office currently, but monitoring emails and taking messages on my mobile [867-446-6382](tel:867-446-6382).
