Subject: RE: Information Request for Sahtu Land Use Plan Conformity Determination

Hi Scott

Per our discussion earlier today, it is unlikely that we will be able to provide responses to your two information requests by their respective deadlines of December 22nd and January 4th. This is due to changes in staffing in our office and the upcoming holiday season. Is it possible to have the deadlines changed to January 18th, 2016? We realize this will likely result in delay of the Board's decision until March 2016.

Regards,
Doug
