Re: April 5, 2016 Information Request for Conformity Determination Follow-up

Dear Mr. Albert:

This letter is a follow up to the Sahtu Land Use Planning Board's ("SLUPB" or "Board") Information Request dated April 5, 2016 regarding the Howard's Pass Access Road (HPAR) Upgrade Conformity Determination (CD2015-01).

To date the SLUPB has not received a response from Selwyn Chihong Mining LTD (SCML) regarding this Information Request. Per SLUPB Rules of Procedure (Rule 4.5) Proponents have 10 business days to provide requested information to the Board. This period has expired.

As communicated during our last telephone conversation on November 14, 2016; Conformity Determination CD2015-01 will be an agenda item for the next SLUPB meeting tentatively scheduled for December 1-2, 2016.

Selwyn Chihong Mining LTD's response to the April 5, 2016 Information Request should be submitted by email to me at exec_director@sahtulanduseplan.org as soon as possible so that it may be included in the meeting materials being prepared for the Board. If you have any questions you may email or call me at 867-598-2055.

Regards,

Scott Paszkiewicz
Executive Director/Senior Land Use Planner
