Land Use Permit MV2017X0008 Amendment Additional Information

The Department of Infrastructure has received the incomplete letter for the amendment request for MV2017X0008. Please find below the response to information requested.

1. No archeological work has been done for this project as the site is within the existing highway right of way (ROW). The right of way is cleared, disturbed land that has been maintained since the life of Highway #4. No additional land will be disturbed and the ROW footprint will not be increased.
2. Follow-up engagement was completed on June 19th, 2019 and the engagement log has been updated and attached.

Sincerely,

Alexis Campbell
Environmental Analyst
Design and Technical Services
Department of Infrastructure
