Dear Matthew,

Re: Northwest Territories Power Corporation – Letter of Clearance – Quarrying Operations – Strutt Lake, NT

The Wek'èezhì Land and Water Board (the Board) met on March 30, 2022 and reviewed the file for Land Use Permit (Permit) W2019Q0003.

The Board received a Final Plan for this land-use operation on December 21, 2021.¹ Subsequently, an Inspector recommended closure of the file.²

Final Plan – Approved

The Board has approved the Final Plan because it fulfills the requirements set out in subsections 29(1) and 29(2), and section 30 of the Mackenzie Valley Land Use Regulations (MVLUR).

Fees and Security

The Board notes that because NTPC is a crown corporation, NTPC is exempt from paying fees and security associated with the Permit. No land use fees or security were paid and therefore, no land use fees or security are owing or owed for this Permit.

Clearance Granted

The Board has granted final clearance of Permit W2019Q0003 because it has been replaced by Permit W2021Q0011, which is in full force and effect and incorporates all obligations and liabilities incurred under Permit W2019Q0003. By issuing this Letter of Clearance for Permit W2019Q0003 the Board considers the Permit closed under section 33 of the MVLUR.

Please contact Roberta Judas at (867) 713-2500 with any questions or concerns regarding this letter.
