Dear John Hawkins:

**Letter of Decision: Paramount Resources Ltd. Request for Extension to the
Deadline for Response to Information Request No. 2 (ACW-2018-010-PAR-H-78-WID0156)**

On January 14, 2019, the Office of the Regulator of Oil and Gas Operations (OROGO) issued Information Request (IR) No. 2 to Paramount Resources Ltd. (Paramount) in respect of its application to abandon the Celibeta No.2 H-78 well. The deadline for response to IR No. 2 was Monday, January 21, 2019.

On January 21, 2019, OROGO received an email from Paramount requesting an extension to the response deadline until Thursday, January 24, 2019.

Recognizing the need to allow Paramount adequate time to respond to IR No. 2 while also recognizing that OROGO staff requires adequate time to review Paramount's response and make recommendations to me in time to allow the proposed activity to proceed during the winter 2019 work season, I have decided to extend the deadline for Paramount's response to IR No. 2 to 4 p.m. on Thursday, January 24, 2019.

Sincerely,

James Fulford
Chief Conservation Officer
