Dear Ryan Munro:

Reporting Satisfactory:

On December 6, 2023, the Office of the Regulator of Oil and Gas Operations (OROGO) received a completed well operations report and well termination record for the Liard P-16 well (WID1976). Our records continue to reflect the status of this well as Non-Compliant Suspended as it is not in compliance with the Downhole Well Abandonment Requirements (Section 5A) of the *Well Suspension and Abandonment Guidelines and Interpretation Notes (Guidelines)*.

Sincerely,

Pauline de Jong
Regulator
