December 14, 2023

Dear Angie Stastook:

**Reporting Satisfactory:**  
**South Pointed Mountain L-68 (WID1207) (ACW-2021-PPR-L-68-WID1207 Var. 5)**

On December 12, 2023, the Office of the Regulator of Oil and Gas Operations (OROGO) received a completed Well Operations Report and Well Termination Record for the South Pointed Mountain L-68 well (WID1207). The reports have been reviewed and satisfy the requirements of section 89(1) and (2) of the *Oil and Gas Drilling and Production Regulations*.

Our records continue to reflect the status of this well as Non-Compliant Suspended as it is not in compliance with the Downhole Well Abandonment Requirements (Section 6A) of the *Well Suspension and Abandonment Guidelines and Interpretation Notes*.

Sincerely,

Pauline de Jong  
Regulator
