October 30, 2024

Dear Greg Heffel:

Tweed Lake M-47 (WID 1476)
Cement Bond Log Evaluation (ACW-2021-SUN-M-47-WID 1476)

On August 6, 2024, the Office of the Regulator of Oil and Gas Operations (OROGO) received a cement bond log from Suncor Energy Inc. (Suncor) for the Tweed Lake M-47 (WID 1476) well. On October 4, 2024, Suncor provided a third-party interpretation of this cement bond log at OROGO's request.

These submissions are required under section 6A of the *Well Suspension Guidelines and Interpretation Notes* (Guidelines).

OROGO has reviewed the cement bond log and associated interpretation. The cement bond log for this well meets the requirements of section 6A of the Guidelines.

Sincerely,

Michael Martin
Chief Safety Officer
Chief Conservation Officer
