Dear John Hawkins:

**Decision: Request for Extension to the Deadline for
Response to Information Request No. 1 (ACW-2022-PAR-C-02-WID1857)**

On May 3, 2022, the Office of the Regulator of Oil and Gas Operations (OROGO) issued Information Request No. 1 to Paramount Resources Ltd. (Paramount) in respect of its application for a Well Approval for the abandonment of the West Arrowhead C-02 well (WID1857). The deadline for response to IR No. 1 was May 18, 2022.

On May 18, 2022, OROGO received a letter from Paramount requesting an extension to the response deadline until June 30, 2022, due to safety training commitments for its staff.

While I recognize the need to allow Paramount adequate time to respond to IR No. 1, I must also consider the time required for OROGO to review the response and coordinate technical support as needed. Therefore, I have decided to extend the deadline for Paramount's response to IR No. 1 to 4 p.m. on Thursday, June 15, 2022.

Sincerely,

Pauline de Jong
Regulator
