Dear John Hawkins:

**Decision: Request for Extension to the Deadline for  
Response to Information Request No. 1 (ACW-2022-PAR-N-65-WID1833)**

On May 3, 2022, the Office of the Regulator of Oil and Gas Operations (OROGO) issued Information Request No. 1 to Paramount Resources Ltd. (Paramount) in respect of its application for a Well Approval for the abandonment of the Arrowhead River N-65 well (WID1833). The deadline for response to IR No. 1 was May 18, 2022.

On May 18, 2022, OROGO received a letter from Paramount requesting an extension to the response deadline until June 30, 2022, due to safety training commitments for its staff.

Recognizing the need to allow Paramount adequate time to respond to IR No. 1, I have decided to extend the deadline for Paramount's response to IR No. 1 to 4 p.m. on Thursday, June 29, 2022.

Sincerely,

Pauline de Jong  
Regulator
