Dear John Hawkins:

**Well Status: Abandonment

On February 13, 2023, the Office of the Regulator of Oil and Gas Operations (OROGO) received the Well Operations Report summarizing the 2023 abandonment operations, the Well Termination Report, and a Change in Well Status Request for the SW Arrowhead O-15 well (WID1834). The report and request have been reviewed and satisfy the requirements of section 89(1) of the *Oil and Gas Drilling and Production Regulations*.

Our records have been updated identifying the status of this well as Abandoned and in compliance with the Downhole Well Abandonment Requirements (Section 6A) of the *Well Suspension and Abandonment Guidelines and Interpretation Notes*.

Sincerely,

Pauline de Jong
Regulator
