Good afternoon Pauline.

I need to request an extension to the four outstanding Information Requests and one ACW to abandon.

There have been some circumstances in my personal world over the past three weeks that have consumed a significant amount of time.

Request extension for the following to August 4, 2022 :

- IR#1 for B-25
- IR#1 for I-74
- IR#1 for F-75

Request extension for the following to August 5, 2022:

- IR#1 for L-44
- ACW for M-74

Please get back to me with your thoughts.

Thanks so much.

Ken N
