Dear Charles Normandeau:

Notice:

Overdue Annual Report and Notification – Mackenzie Gas Project (OA-2015-001)

On June 2, 2016, the Chief Conservation Officer issued OA-2015-001, extending the sunset clause for the portions of the Mackenzie Gas Project under the jurisdiction of the Regulator designated under section 121 of the *Oil and Gas Operations Act* to December 31, 2022.

OA-2015-001 also required Imperial Oil Resources Limited (IORL) to:

- File an Annual Report with the Regulator by December 31st of each year describing any steps taken to advance activities or decisions that are preconditions to the “Final Decision to Construct”, including but not limited to:
 - Re-staffing;
 - Engineering;
 - Field programs;
 - Initiating applications for site-specific permits from other regulators; and
 - The timing of a “Final Decision to Construct” and whether construction can reasonably be expected to commence prior to December 31, 2022; and
- Notify the Regulator no later than December 31, 2021 of any intention to apply for a further extension of the December 31, 2022 expiration date.

I have not received the Annual Report or the notification of any intention to apply for a further extension of the expiration date.
