Dear Ester Choi:

Review: 2020 Annual Safety Report (OA-2018-001-IOL)

On April 20, 2021 Imperial Oil Limited (Imperial) submitted their 2020 Annual Safety Report regarding operations conducted under OA-2018-001-IOL. This annual report, required by section 87 of the *Oil and Gas Drilling and Production Regulations* (OGDPR), must include a summary of lost or restricted workday injuries, minor injuries and safety-related incidents and near-misses and a discussion of efforts undertaken to improve safety.

The Office of the Regulator of Oil and Gas Operations has reviewed Imperial's 2020 Annual Safety Report and is satisfied that it meets the requirements of section 87 of the OGDPR.

Sincerely,

Michael Martin
