Ms. Pauline de Jong
Regulator
Office of the Regulator of Oil and Gas Operations
Government of the Northwest Territories
4th Floor Northwest Tower
5201 – 50th Avenue
Yellowknife, NT X1A 3S9

Dear Ms. De Jong,

Re: Annual Safety Report Requirement – OA-2018-001-IOL

Imperial Oil Limited on behalf of ExxonMobil Canada as owner and operator of the subject well states that there were no lost or restricted workday injuries, minor injuries, safety related incidents or near misses during 2021.

Work performed in 2021 included:

- Mobilization to/from site;
- Wellsite inspection
- Civil assessment of proposed campground for 2022/2023 well abandonment
- Assessment of local service providers

To mitigate the risk of COVID-19, Imperial Oil Limited followed all public health orders and obtained self-isolation plan approvals prior to conducting the scouting trip. Consultation meetings were conducted remotely via conference calls and the site visit schedule was shared with local communities to limit in-person contact where possible. A wildlife monitor accompanied workers to prevent any incidents with wildlife. Workers also participated in daily safety meetings and pre-job hazard discussions.

If you require further information regarding this letter, please contact the undersigned at (587) 476-1493.

Regards,

Esther Choi
