December 10, 2021

Dear Kendall Dilling:

Termination of OA-2018-002 and Return of Proof of Financial Responsibility

On December 9, 2021, I confirmed the change of well status from suspended to abandoned for both wells covered under OA-2018-002: Husky Little Bear N-09 (WID2076) and Husky Little Bear H-64 (WID2077).

OA-2018-002 terminates on December 14, 2021, at which time I will return the Proof of Financial Responsibility associated with it to Cenovus Energy Inc. (Cenovus).

I will be in contact with Chris Salewich, Contract PM (NWT), to determine how best to return Cenovus' Proof of Financial Responsibility for OA-2018-002.

Sincerely,

Pauline de Jong
Regulator
