**Subject:** RE: Information Request No. 2 (OA-2018-003)

Good Morning,

Due to the size of the information request and the limited working schedule for December, Strategic will require an extension to the January 7, 2019 deadline for a response to IR No. 2.

Strategic is proposing January 18<sup>th</sup> to compile, review and submit a response to the IR. Should the information be ready to submit prior to that date Strategic will file it accordingly.

Thank you,

Michael
