Dear Duncan MacRae:

REVOCATION: Chief Safety Officer Order (ORD-2024-001-SOG)

On June 13, 2025, the Office of the Regulator of Oil and Gas Operations (OROGO) received the final report from Strategic Oil and Gas Ltd. (SOG) summarizing the temporary mitigations completed in response to Chief Safety Officer Order ORD-2024-001-SOG (Order). OROGO also received a letter from SOG on June 18, 2025, indicating the requirements of the Order are met.

Upon reviewing the final report, I believe the temporary mitigations in place adequately mitigate my immediate safety concerns in the Cameron Hills Field identified in the Order. I also note that, as stated in the Amendment to the October 4, 2019, Order of the Regulator issued to SOG on April 25, 2025, SOG must:

1. Conduct annual field inspections to monitor the status of the temporary mitigations and report on the results in writing; and
2. Permanently address all safety concerns identified in ORD-2024-001-SOG by April 30, 2027.

Therefore, I hereby revoke Chief Safety Officer Order ORD-2024-001-SOG issued under section 110 (1) of the *Oil and Gas Operations Act*.

Sincerely,

Michael Martin
Chief Safety Officer
