Dear Arly Castillo:

Review: 2021 Annual Safety Report – Satisfactory (OA-2018-005-CNRL)

On March 7, 2022, Canadian Natural Resources Limited (CNRL) submitted its 2021 Annual Safety Report regarding operations conducted under OA-2018-005-CNRL. This annual report, required by section 87 of the *Oil and Gas Drilling and Production Regulations* (OGDPR), must include a summary of lost or restricted workday injuries, minor injuries and safety-related incidents and near-misses and a discussion of efforts undertaken to improve safety.

The Office of the Regulator of Oil and Gas Operations has reviewed CNRL's 2021 Annual Safety report and is satisfied that it meets the requirements of section 87 of the OGDPR.

Sincerely,

Michael Martin
Chief Safety Officer
