RE: Application for an Operations Authorization (OA-2019-001-OBS) – Information Request No.11

Dear Madam/Sir

Obsidian Energy Ltd (Obsidian) is responding to the information required letter (IR No.11) dated September 18, 2020 from OROGO with the following information.

11.1 Environmental Protection and Contingency Plans:

Request:

Obsidian is required to submit the following:

- Please provide a concordance table that identifies where the legislated requirements of section 6(j) of the OGDPR are met;
 - Below is the text from Section 6(j) of the OGDPR which Obsidian has met all the requirements for between the NWT ERP and Obsidian Corporate ERP
 - (j) contingency plans, including emergency response procedures, to mitigate the effects of any reasonably foreseeable event that might compromise safety or environmental protection, which must
 - (i) provide for coordination measures with any relevant municipal, provincial, territorial or federal emergency response plan,
- Please provide a concordance table that identifies where the legislated requirements of section 9 of the OGDPR are met;
 - The “stand-alone” documents referenced in Section 3 of the EPP are additional resources above and beyond the requirements of Section 9 of the OGDPR for

reference only. The exiting concordance table meets all the requirements of Section 9.

- Please provide an Updated EPP; and
 - The previously submitted OROGO EPP and the EPP associated with the LUP meet all the requirements of the applicable regulation. Obsidian has no additional information or documents to submit for the EPP.
- Please provide an Updated site-specific ERP.
 - The previously submitted NWT ERP and Obsidian Energy ERP meet all the requirements of the applicable regulation. Obsidian has no additional information or documents to submit for the ERP.
