Subject: RE: [EXTERNAL] - Decision - to Obsdian - Approval of Extension to submit plans

EXTERNAL: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender's name and email address and know the content is safe.

Hi Donna

My apologize for another extension request but Obsidian will require additional time to complete the updated plans requested by OROGO in the Operational Authorization. I hope 3 weeks or to mid-February would be sufficient time to complete depending on when access to the Obsidian office will be open for file access.

Thanks in advance
Craig Langford
