Dear John Hawkins:

**Information Request No. 7:
Completion of Well Abandonments by March 31, 2025 (OA-2019-002-MGM)**

On December 19, 2022, I extended the deadline for MGM Energy's (MGM) abandonment of the following wells to March 31, 2025:

Nogha C-49 (WID1934)
Nogha B-23 (WID1998)
Nogha M-17 (WID1970)

West Nogha K-14 (WID2006)
Lac Maunoir C-34 (WID1995)
Lac Maunoir E-35 (WID2021)

On June 8, 2023, the Office of the Regulator of Oil and Gas Operations (OROGO) received a request from Suncor Energy Inc. (Suncor) to further extend the deadline for its abandonment operations in the Sahtu Settlement Area to March 31, 2026. I am currently considering this request.

MGM and Suncor have previously identified that their proposed operations are being jointly coordinated as they are in the same general geographic location. MGM has not submitted a request to extend the abandonment deadline for its wells under OA-2019-002-MGM. Please advise of MGM's intentions for these wells and, if the intent is to request an extension, provide the supporting rationale for that request.

Please send your written response and any associated correspondence to OROGO at oro.go@gov.nt.ca on or before 4:00 p.m. on June 28, 2023. If you are unable to respond within this timeframe or have any questions, please contact OROGO at 867-767-9097 or by email at oro.go@gov.nt.ca.

Sincerely,

Pauline de Jong
