**Re: Request for Amendment to Operations Authorization OA-2020-001 to include Para et al
Mount Coty I-02 WID1884**

Paramount Resources Ltd. (Paramount) intends to abandon the well Mount Coty I-02 well in the winter season of 2022 or 2023 and requests to amend OA-2020-001 to include the I-02 well. Paramount requests to withdraw the cover letter filed as 2021-01-04 - Amendment - Request for Paramount Extension of Production Licence PL 007 to include Mount Coty I-02 Liard South.pdf. The following three files in support the amendment to OA-2020-001:

1. 2021-01-04 - Safety Plan - Paramount - Liard South - Dec 2020.pdf
2. 2021-01-04 - ERP - NWT Emergency Response Plan - Paramount - Liard South - Dec 2020.pdf
3. 2021-01-04 - EPP - NWT Site Specific EPP - Paramount - Liard South - Dec 2020.pdf

For ease of review, please note that these documents are identical to those submitted with the OA for I-02 (Liard South), and very similar (except for site specific requirements) to those previously submitted as part of the OA for Liard East and the Subsequent Information Request #1.

Para et al Mount Coty I-02

This well is currently suspended with tubing, a packer and tubing plug.

To minimize environmental impact and utilize economies of scale Paramount intends to abandon this well using the same access as that to be constructed for F-36.

An Authorization to Alter the Condition of a Well was submitted on December 17, 2020, OROGO filed as 2020-12-17 - Application - ACW - Mount Coty I-02.pdf

Inspection Reports

The shut-in well inspection reports for F-36 and I-02 (including the Gas Migration test) were submitted as part of the Mount Coty I-02 ACW application on December 17, 2020.

Please contact the undersigned at (403) 817-5074 or john.hawkins@paramountres.com if you have any questions regarding this project and application.
