Dear John Hawkins:

**Review: 2021 Annual Safety Report - Satisfactory (OA-2020-001-PAR)**

On June 9, 2022, Paramount Resources Ltd. (Paramount) submitted Revision 2 of its 2021 Annual Safety Report regarding operations conducted under OA-2020-001-PAR. This annual report, required by section 87 of the *Oil and Gas Drilling and Production Regulations* (OGDPR), must include a summary of lost or restricted workday injuries, minor injuries and safety-related incidents and near-misses and a discussion of efforts undertaken to improve safety.

The Office of the Regulator of Oil and Gas Operations (OROGO) has reviewed Paramount's 2021 Annual Safety Report (Revision 2) for OA-2020-001-PAR and is satisfied that it meets the requirements of section 87 of the OGDPR.

In the future, OROGO will require Paramount to submit an Annual Safety Report for OA-2020-001-PAR that adequately discusses all efforts undertaken to improve safety.

Sincerely,

Michael Martin  
Chief Safety Officer
