January 10, 2022

Dear Pauline de Jong

**Decision: Deferral of Abandonment Program, Fort Liard Area (OA-2021-001-PPR). 300/L-68-6020-12345/1
Monitoring Plan**

In response to the abandonment deferral of the 300/L-68-6020-12345/1 well in the Fort Liard area due to the ongoing pandemic, Prairie Provident resources (PPR) is recommending the following monitoring program. Increase visual inspections from every 6 months to 3 times per year before the 2022/2023 winter season. Inspections will include visual, a 10-minute bubble test on the SCV, and pressure readings will be taken. PPR will also inspect the tank on location and confirm volume if any from the SCV. The last inspection was completed September 29, 2021.

Proposed 2022/2023 Inspection Schedule

February 2022
June 2022
October 2022
Feb 2023 (If required pending exact Abandonment timeline)

Sincerely,

Angie Stastook
