Dear Chris Moger:

**Return of Proof of Financial Responsibility and
Termination of OA-2021-002-SUN / ACW-2021-SUN-N-18-WID0790**

Suncor Energy Inc. (Suncor) holds an Operations Authorization (OA-2021-002-SUN) and Well Approval (ACW-2021-SUN-N-18-WID0790) for the abandonment of the Tathlina N-18 well (WID0790). To obtain its Operations Authorization, Suncor provided an Irrevocable Letter of Credit as proof of financial responsibility for the operation.

Section 64(2)(b) of the *Oil and Gas Operations Act* requires the Regulator to retain the proof of financial responsibility associated with an Operations Authorization for one year after the well is declared abandoned.

On October 14, 2022, the status of the Tathlina N-18 well (WID0790) was changed to abandoned. Therefore, I may now return Suncor's proof of responsibility. Given that the operation is complete, I am also terminating OA-2021-002-SUN and ACW-2021-SUN-N-18-WID0790 effective immediately.

Please advise on the appropriate method for returning the proof of financial responsibility to Suncor.

Sincerely,

Pauline de Jong
Regulator
