Dear Dara Schmidt:

Information Request No. 6: Request to Vary OA-2021-003-SUN variation 1

On June 8, 2023, the Office of the Regulator of Oil and Gas Operations (OROGO) received a request from Suncor Energy Inc. (Suncor) to vary OA-2021-003-SUN variation 1 by further extending the deadline for abandoning Suncor's wells in the Sahtu Settlement Area to March 31, 2026.

OROGO has reviewed the information provided by Suncor in its letter of June 8, 2023, and response to Information Request No. 5, and requires additional information to complete its review of Suncor's request, as set out in the attached Information Request No. 6.

Please send your written responses and any associated correspondence to OROGO on or before 4:00 p.m. on September 26, 2023, by email at oroogo@gov.nt.ca or through OROGO's secure file transfer site.

If you are unable to respond within this timeframe or have any questions, please contact OROGO at 867-767-9097 or by email at oroogo@gov.nt.ca.

Sincerely,

Pauline de Jong
Regulator

Information Request No. 6

6.1 Local Capacity

Preamble:

In its response to Information Request No. 5.1 about local capacity to offer suitable support services for the proposed abandonment operations, Suncor indicated it had a meeting scheduled on July 20, 2023, with Colville Lake / Behdzi Ahda' First Nation.

OROGO has not received further information from Suncor on the results of that meeting and, specifically, whether local services are available to support Suncor's operations, either in 2024 (current deadline) or 2025 (the extension Suncor has requested).

Request:

Please provide an update on the status of Suncor's discussions with Colville Lake / Behzhi Ahda' First Nation, including information on whether support services are available for 2024 or 2025 operations.
