Re: Annual Safety Report (OA-2021-003-SUN)

Dear Pauline:

As required under section 87 of the Oil and Gas Drilling and Production Regulations, an Annual Safety Report is provided herein. For the 2025 Safety Report, Suncor Energy Inc. (Suncor) states that there were no lost or restricted workday injuries, minor injuries, safety related incidents or near misses related to Operations Authorization OA-2021-003-SUN.

At Suncor we apply a systematic approach to safety. Our operational Excellence Management System (OEMS) ensures we use standardized processes, data and tools to reduce risk, simplify work and improve performance.

We trust that the response provided will satisfy your current requirements and provides suitable documentation for your records. If you have any further questions or concerns, please do not hesitate to contact us.

Thank you,
