Dear Mark Cliffe-Phillips:

**Preliminary Screening Determination:
Aurora College Application for an Operations Authorization (OA-2022-001-AC)**

On December 12, 2022, Aurora College applied to the Office of the Regulator of Oil and Gas Operations (OROGO) for an Operations Authorization to abandon the Aurora Training Well G-04 (WID1915) in the Gwich'in Settlement Area.

Under section 124 of the *Mackenzie Valley Resource Management Act* (MVRMA), an Operations Authorization triggers the requirement for a preliminary screening.

On June 15, 2001, the Gwich'in Land and Water Board issued its Preliminary Screening Report for water licence G01L1-002, which scoped in abandonment of the Aurora Training Well G-04.

Accordingly, I have decided that the well abandonment is exempt from preliminary screening under section 2.1 of the *Exemption List Regulations* under the MVRMA.
