**Re: Extension of Date by Which Proof of Financial Responsibility Aurora Training Well G-04
Abandonment must be submitted (OA-2022-001-AC)**

Dear Ms. de Jong

Aurora College requests an extension of the date by which the Proof of Financial Responsibility for Aurora College Training Well G-04 must be submitted until July 5, 2023. The granting of this extension will provide Aurora College with the benefit of ensuring that our financial commitment of the draft Irrevocable Letter of Credit (ILOC) is adequately addressed to the specifications outlined by OROGO in the June 2, 2023 letter.

Aurora College remains committed keep with the original operational extension to complete the abandonment operations by August 31, 2023.

Aurora College via CPE will ensure any outstanding information is submitted to OROGO for the OA application through the IR process.

Sincerely,

Jonathon Michel
Director Aurora Campus
Aurora College
