Dear Jonathan Michel:

**Decision: Extension of Deadline for Draft ILOC (OA-2022-001-AC)**

On June 2, 2023, I issued my decision on the amount and type of proof of financial responsibility required for Aurora College's Operations Authorization for the abandonment of the Aurora Training Well G-04 (WID1915) (OA-2022-001-AC). Aurora College was directed to provide a draft Irrevocable Letter of Credit (ILOC) in the amount of \$63,900 to the Office of the Regulator of Oil and Gas Operations (OROGO) for review by June 14, 2023.

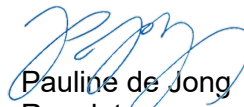

At 4:58 p.m. on June 14, 2023, OROGO received a request from Aurora College to extend this deadline to July 5, 2023.

The extension is granted as requested.

I take this opportunity to remind Aurora College that OA-2022-001-AC must be in place before operation begin (currently scheduled for July 16, 2023) and that OA-2022-001-AC cannot be issued unless Aurora College provides satisfactory proof of financial responsibility.

If you have any questions, please do not hesitate to contact OROGO at [oro.go@gov.nt.ca](mailto:oro.go@gov.nt.ca) or by phone at 867-767-9097.

Sincerely,

Pauline de Jong  
Regulator
